# A Message from the Carnival Chairwoman

I cannot believe it was forty years ago that I was first the Carnival Chair. I was in my early 20s and was the first female to take on the role. I remember nearly half the first meeting was spent deliberating over how to refer to me (to be honest, I can't remember what we decided!) I really feel that I learnt from the best; Mrs. Betty Heaman was the Carnival Secretary, her husband Bill, and Brian Doidge were tar barrel and torch experts, Mrs. Pam Balsdon, Mrs. Pat Bottoms, Mrs Judith James, and Mr. Dennis Bater were all enthusiastic serving members at that time (to name but a few!) The meetings were often long with zealous conversation - nothing has changed there! In those days we held all our meetings in Dennis and Lesley's fish and chip shop café.

Sometimes people are worried about the future of our Carnival, but I often take five minutes to look around the committee, and to be honest although the faces are different, we still have amazing, passionate people of all ages, wanting to do their best for the Carnival. The energy of the whole committee is truly wonderful. Our Carnival should be safe well into the future. That said, we are always in need of more help at our fundraising events and especially on Carnival day. If you feel you can help marshal on Carnival night, please join our supporter's page or contact our secretaries at, [info.hatherleighcarnival@gmail.com](mailto:info.hatherleighcarnival@gmail.com) or 07912539714 because the Carnival really depends on all of us!

Sadly, earlier this year we lost two Carnival stalwarts. Dale's father, Brian Chasty passed away in the spring. He absolutely loved the Carnival and was so happy when his son, Dale, became involved with the making of the tar barrels.

We also lost one of the longest running Carnival tableaux creators, my mum, Mrs. Shirley Dilling. She was the granddaughter of Mrs Lily Pillivant. Lily was part of the very first committee (if they officially had them back then) who created the Hatherleigh and Meeth Hospital Association Carnival in 1903. I'm sure she would be impressed at the massive spectacle that is now known as Hatherleigh Carnival. She would also be very proud that so many of her children, grandchildren, great grandchildren, and great, great grandchildren have continued in her footsteps, both on the committee and taking part every year with our family's crepe paper float and as walking guys - Carnival is in our blood! Because of this, we as a family have decided to give a cup in mum's memory entitled 'Most Creative Use of Crepe Paper'

You will probably notice that following our opinion poll, we have reintroduced judging for the children's afternoon procession. Importantly though, there still remains a class (class 1) for those who just want to join in the fun, but do not wish to be judged.

Important! Please do remember that fireworks should NEVER be thrown near people, especially children. If you are entering a Carnival float, please do check our Carnival rules as these are carefully written to help keep everyone safe. Thank you. Please try to give generously to any of our street collectors. Silver coins would be amazing, if possible, please! Remember - Cash is King! But if you don't carry cash, please look out for our new QR codes and our Sum Up machines. Every pound helps!

Finally, on behalf of the Carnival Committee I want to thank you all for your generosity, time, and support, not only on Carnival day itself but throughout the whole year.

I'd like to wish you all a safe, exciting, and fun weekend! Oggy, oggy, oggy!

Mrs Cindy-Jane Squire

# A Message From our Carnival President

My name is Jane Fawcett and I have lived in Hatherleigh since July 1989. Hatherleigh sort of found us; we had been looking to move out of London and had thought that Cornwall was where we would like to be. However one day we randomly came off the A30 at Okehampton and called into an estate agents, we were taken to the house we had been searching for, and have lived in, for 34 years. So here we are all that time later and Hatherleigh is very much our home. I started work at the Primary School in September 1989, retiring in 2020 and Steve started work in the area renovating a friend's manor house. We haven't looked back. Our two children were born here and although they have moved away and are married, still look fondly on Hatherleigh as their home. I have been involved in the Carnival for most of the time I have been living here. Initially shaking a collecting tin then entering my children in the afternoon's procession. My daughter Martha was Carnival Princess in 2001 with Andrew Collier as her Prince. I myself have taken part as a member of Hatherleigh Players, Hatherleigh Brownies when I was one of the leaders, the Primary School and Hatherleigh's WI – (some very happy memories of our take off of the Calendar Girls!!). I have been called on to comper the afternoon judging and latterly I have been marching around the procession route with Hatherleigh Silver Band. The Carnival is such an established and brilliantly run event in our town's calendar. I was most surprised but delighted and honoured to be asked to be this year's President.

*Jane Fawcett*

The Committee would like to thank Jane, Holly, Kobi & Elodie for being our 2023 President, Queen, Prince and Princess and hope they enjoy their day.

# Our 2023 Queen<sup>\*</sup>

I was first on a Carnival float in 2015 when me and my brother were chosen to be Prince and Princess. My love for the Carnival and being on the floats continued throughout the years. The Carnival isn't the only thing I love, I'm also very passionate about sports. My favourite sports are horse riding and rugby. I've loved horses since I was born and I remember the first time I sat on a horse, I was so happy and I knew then that it was going to be a huge part of my life; and they are. I own two horses, Monty and OB and my mum also has one named Treacle. I also love rugby. I haven't been doing it for long but I've always loved it. I started playing for the Okehampton girls team last season and I am excited to play again this season. I am very grateful to have been chosen to be Hatherleigh Carnival Queen and I can't wait!

# Holly Wale<sup>\*</sup>

# Our 2023 Prince & Princess

Prince and Princess for Hatherleigh Carnival 2023 are brother and sister pairing Kobi and Elodie Letheren, aged 6 and 3 respectively. They live in Hatherleigh with their Mummy and Mum.

Kobi attends Hatherleigh Primary School. He enjoys football, lego and Pokémon. His favourite subject at school is maths and he would like to be a policeman when he is older.

Elodie attends Highampton Pre-School. She enjoys creative play, loves to be around animals and any walks take twice as long as they have to stop and smell all the flowers on the way.

This is both their first time on a float and what a float to start off on! They are both extremely excited, especially after seeing photos of when their Auntie Jade was Carnival Queen and another year when their Auntie Amber was Princess.

Friday 11th – Saturday 12th

# OGGY! OGGY! OGGY!

Hatherleigh is filled with people lining the streets for the spectacular carnival events over the weekend.

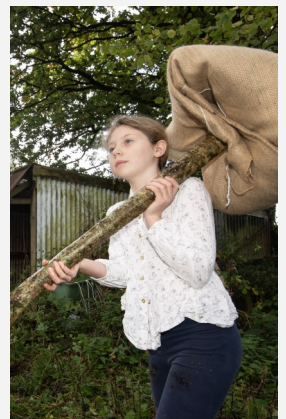

Every year a team of dedicated people of all ages come together to build the frame and torches which lead and accompany the procession on Carnival night. The flaming torches are just one of the things that make Hatherleigh Carnival so unique and such a spectacle for people to watch.

Each year members of the tar-barrel sub-committee wear t-shirts, with pullers and non pulling members having reversible colours. To pull the barrels you must be over 16 and have attended a health and safety briefing.

If you are interested in being a puller contact us on [info.hatherleighcarnival@gmail.com](mailto:info.hatherleighcarnival@gmail.com)

Interested in carrying a torch? Then please ring Mrs Nicola Jones on 07912539714 or email [info.hatherleighcarnival@gmail.com](mailto:info.hatherleighcarnival@gmail.com)

Thank you to NJB for donating the paraffin needed for Carnival Day!

Our two flaming Tar Barrel runs at 5am and after the main procession are hugely popular and spectacular to watch!

# A Message from Last Year's Carnival Queen Abigail Bennett

In 2014 my Brother William and I got the opportunity to be Hatherleigh Carnival Prince and Princess. After many years of carnival floats, in 2022 I was absolutely honoured to get the chance to be Hatherleigh Carnival Queen, for my final family float. It was incredible to have two parents who knew how special this moment would be for me and to work so hard producing such a beautiful royalty float; which I can never thank them more for! I would also like to thank everyone who bought raffle tickets to help raise money to put towards the expense of my float. I was amazed and delighted when the Carnival Committee were able to donate £425 to my chosen charity, 'Families in Grief' from all the money raised at Carnival. Being on a carnival float looking out at the huge crowds of people is the most surreal feeling you will ever experience, so get float building and crepe papering now! You will never want that feeling to end! I just want to wish the 2023 Carnival Queen Holly Wale an amazing time; it's a moment you'll never forget so appreciate and enjoy every moment! **Oggy! Oggy! Oggy!**

**2022 winner of 'The Peoples Choice' was the Jolly boys with 'The Hatherleigh Village People!'**

# 2023 introduces the cup for Most Creative Use of Crepe Paper

As the granddaughter of Mrs Lily Pillivant, one of the founder members of the Carnival, Shirley Dilling was a lifelong carnival stalwart. Since the 1960's Shirley, along with her family have created at least one float every year. She was infamous for her intricate crepe paper pictures and had a real love for bringing little animals almost to life, not to mention the hundreds and thousands of crepe paper flowers she must have made! Shirley was very proud of the Beatrix Potter float she made over 25 years ago. The family treasure the Mrs Tiggy- Winkle and Peter Rabbit pictures that are still going strong. Another of her favourites was 'Olly' the owl, and she often spoke of the numerous flags she papered all around their 1992 Olympic float. Very sadly, Shirley passed away in January this year, and she will be missed by so many. In her memory the 'Dilling, Wonnacott, Squire, Bater, King and Lumby' families felt it would be a fitting tribute to Shirley's passion and have donated a cup which will be awarded for the "Most Creative Use of Crepe Paper".

# Road Closures and Parking Restrictions

Dear Residents of Hatherleigh,

As we are sure you are aware, this year's Carnival takes place on Friday 10th and Saturday 11th November. We are writing to you to make you aware of where and when the parking restrictions and road closures will apply.

The following streets/roads will be closed at the times listed below:

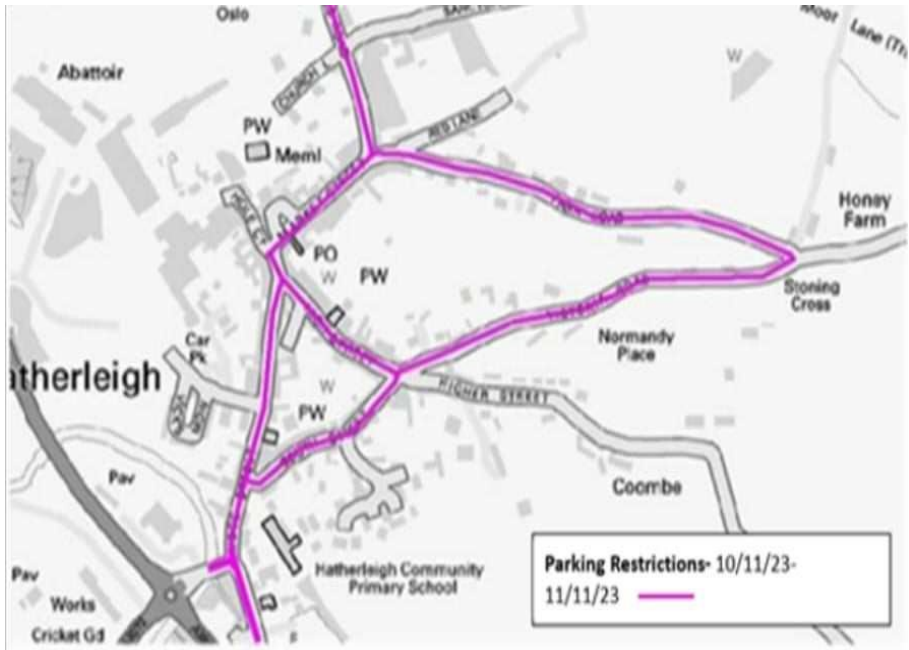

## Hatherleigh Carnival 10th/11th November - Road Closures/diversions

As has been the case in previous years, cones will be placed around the town to keep the carnival route clear (see map) .

Please note that any vehicle parked in contravention of the parking restrictions may be liable to be issued a Fixed Penalty Notice served by the Traffic Enforcement Officers.

## Hatherleigh Carnival 10th/11th November - Parking Restrictions

We hope that you understand that the restrictions are necessary for the safety of everyone involved in the carnival. We are aware of the issues that can arise from the restrictions but your patience and co-operation is appreciated by everyone.

We will endeavour to open the roads as soon as safely possible and keep disruption for residents to a minimum.

If you wish to contact the committee to discuss the above, please email us at [info.hatherleighcarnival@gmail.com](mailto:info.hatherleighcarnival@gmail.com) or contact us via social media using our official Hatherleigh Carnival Facebook Page.

We thank you for your support,

**Hatherleigh Carnival Committee**
